

*This year,  
remember  
someone  
whose life  
touched yours  
through a gift  
to  
Friends of  
Forbes Hospice.*

*Memories of  
cherished loved ones are  
sprinkled throughout  
the holiday season.  
The lights,  
the sounds and the  
scents are as fresh as  
yesterday.  
They live with us forever.*

Holiday Dedication  
Program

# Forbes Hospice Respite Care Program

These holiday tributes will be used to provide the caregivers of terminally ill patients the precious time to attend to personal business and family needs, or to simply sleep.

**WINTERGARDEN POINSETTIA PROGRAM**  
Since 1991, the Wintergarden Poinsettia Program has been a tradition at Forbes Hospice. For a minimum donation of \$25, a poinsettia will be placed on a holiday tree along with the name(s) of your loved one(s). The trees will be on display in the PPG Wintergarden during the month of December. In recognition of your gift and to commemorate the holiday display, you will be invited to attend a special program at 6 p.m. on Monday, December 13, at the PPG Wintergarden.

**LIGHT UP A LIFE**  
Sponsored this year in conjunction with Bloomfield Development corporation, the Light Up A Life program began in 1993 and also visually celebrates the holidays. Friends and families can purchase a light or a string of lights in memory or honor of their loved ones. The lights will adorn the landscaping of the "flag and flower island" in Bloomfield. Through your contribution of \$5 per light or \$50 per string of lights, your name and the name of your honoree will be inscribed in the Hospice Light Up A Life Book. There will be a "Light Up" Program on Friday, November 19, at 6:00 p.m. at the flag and flower island at the intersection of Liberty Avenue Howely Street and the Bloomfield Bridge. The lights will be on until January 2, 2011.

Your contribution is tax deductible as allowed by law.
